

Supplemental Instruction

SESSION LOG

Session Date _____ SI Leader _____

The Plan

(Fill this out before the session)

During this session I plan to:

(Activity, content areas covered)

What learning or study skills did you try to incorporate into the session?

What Actually Happened

(Fill this out after the session)

Did you end up going over what you planned? Yes No

If not, describe what you actually did.

How did you feel the session went?

For the next session I need to find out:
